Citizens of most of the countries do not need visa to enter Republic of Georgia or can obtain one at arrival. All Visa relevant information, list of Countries, citizens of which do not require visa or can obtain one upon arrival are listed here: <https://www.geoconsul.gov.ge/HtmlPage/Html/View?id=25&lang=Eng>

STANDARD PRICE LIST FOR NAVIGATION SERVICES

On 1st of January 2014, Georgia became a member state of Eurocontrol. Due to this all en route navigation charges will be collected and reclaimed by the Eurcontrol, according to its own rules and standards.

In Georgian Airports are directly payable only Terminal Air Navigation Service Charges according to below listed rates and fees on base of active formula:

Formula - $R = T \times N$

- **R** – terminal air navigation service charge;
- **T** – the unit rate for terminal air navigation service;
- **N** – weight factor, which is obtained in accordance with the following formula: $N = (MTOW/50)^{0.7}$

According rates:

❖ The unit rate (t) for terminal air navigation service provided in Kopitnari Airport shall amount to 250.41 EURO.

❖ For the aircraft which MTOW does not exceed 14 tons, the unit rate (t) for terminal air navigation service shall amount to 139.16 EURO.

❖ For the commercial air carriers, providing domestic transportation service by an aircraft with MTOW exceeding 14 tons, the unit rate (t) for terminal air navigation service shall amount to 250.41 EURO.

❖ For the commercial air carriers, who are involved only in cargo transportation, if the accumulated weight throughout a month does not exceed 1000 tons, the unit rate (t) for terminal air navigation service shall amount to 417.34 EURO, and if the accumulated weight exceeds 1000 tons, then it shall amount 250.41 EURO.

❖ The unit rate (t) for terminal air navigation service amounts to 77.74 EURO for the aircrafts, which MTOW does not exceed 14 tons, and 250.41 EURO for the aircrafts, which MTOW is greater than 14 tons in the following cases:

- use of the alternative aerodrome for landing due to adverse weather conditions;
- technical problems
- fueling- in case the aircraft stays on the aerodrome up to 48 hours;
- a sick person onboard;
- training flights in the aerodrome zone;
- flight tests of radio navigation facilities.

❖ The unit rate (t) for terminal air navigation service shall amount to 77.74 EUR for helicopters, despite the takeoff weight of the helicopter and goal of the flight.

❖ For the air carriers based in Tbilisi International Airport and for the air carriers operating in frame of code share agreement with the air carriers based in Tbilisi International Airport, performing passenger transportation on a regular basis: if the consolidated number of landing/take off flights performed during one calendar month in Tbilisi International Airport equals or exceeds 220, the terminal Air Navigation Service charge will be calculated with 50% discounted unit rate amounting to: 208.67 EURO.
